

REMOTE WORK

BINGO

Joined the video call too early 	Used #wfh #remotework on social media	Went for an actual walk	Worked out already 	Tried the Getting Things Done (GTD) method
Cooked an instagram like dish (check it out) 	Heard child noises	Joined a meeting in sweatpants	Sent a meme to a colleague	Listened to the same song 5x in a row
Got interrupted by UPS/FedEx delivery	Gave a virtual tour of my workspace		Spotted a pet 	Did chores during lunch break
"Sorry, I was on mute!" 	Binge watched "Casa del Papel"	Played a virtual game with a colleague	Meditated for 20 minutes straight	"Can you see my screen?"
Had virtual lunch with a colleague (non-work related, ofc)	Spotted a colleague's bed	Danced in my room like nobody was watching	 Customized my own Zoom background	Ordered food online
